

Advocacy Opportunities Related to GMR on ECCE:

CG Springboards for International, Regional & National Action for EFA Goal No. 1

Revised Update Prepared by: CG Secretariat, 19th June 2006

- The GMR will be launched in New York on Thursday 26th October. The launch will include
 - a Media Launch in the morning (restricted to media folks only);
 - An afternoon Discussion Forum - including strong representation from the CG.

PLEASE NOTE: Languages of the Report presented at the Launch - full report only in English; summary report in - Arabic, Chinese, English, French, Russian, and Spanish. The full report will be available in the other 6 six languages at a point in time after the launch.

- UNESCO Regional & National Offices are planning
 - related events around the time of the international launch, e.g. a press conference,
 - follow-up national events throughout the year, including either a capacity building or policy discussion or stakeholders meeting using the outcomes of the GMR at the "cluster" or national levels. Some national offices have indicated that they prefer to organise an event when the full report is available in the language they use
- **What are CG partners planning? How can we best coordinate for maximum impact?**

STEP 1: Please add your plans to the table & forward to the Secretariat who will compile regular updates.
